"For the Lord himself shall descend from heaven with a shout,
with the voice of the archangel, and with the trump with God . . . "
I Thessalonians 4: 16

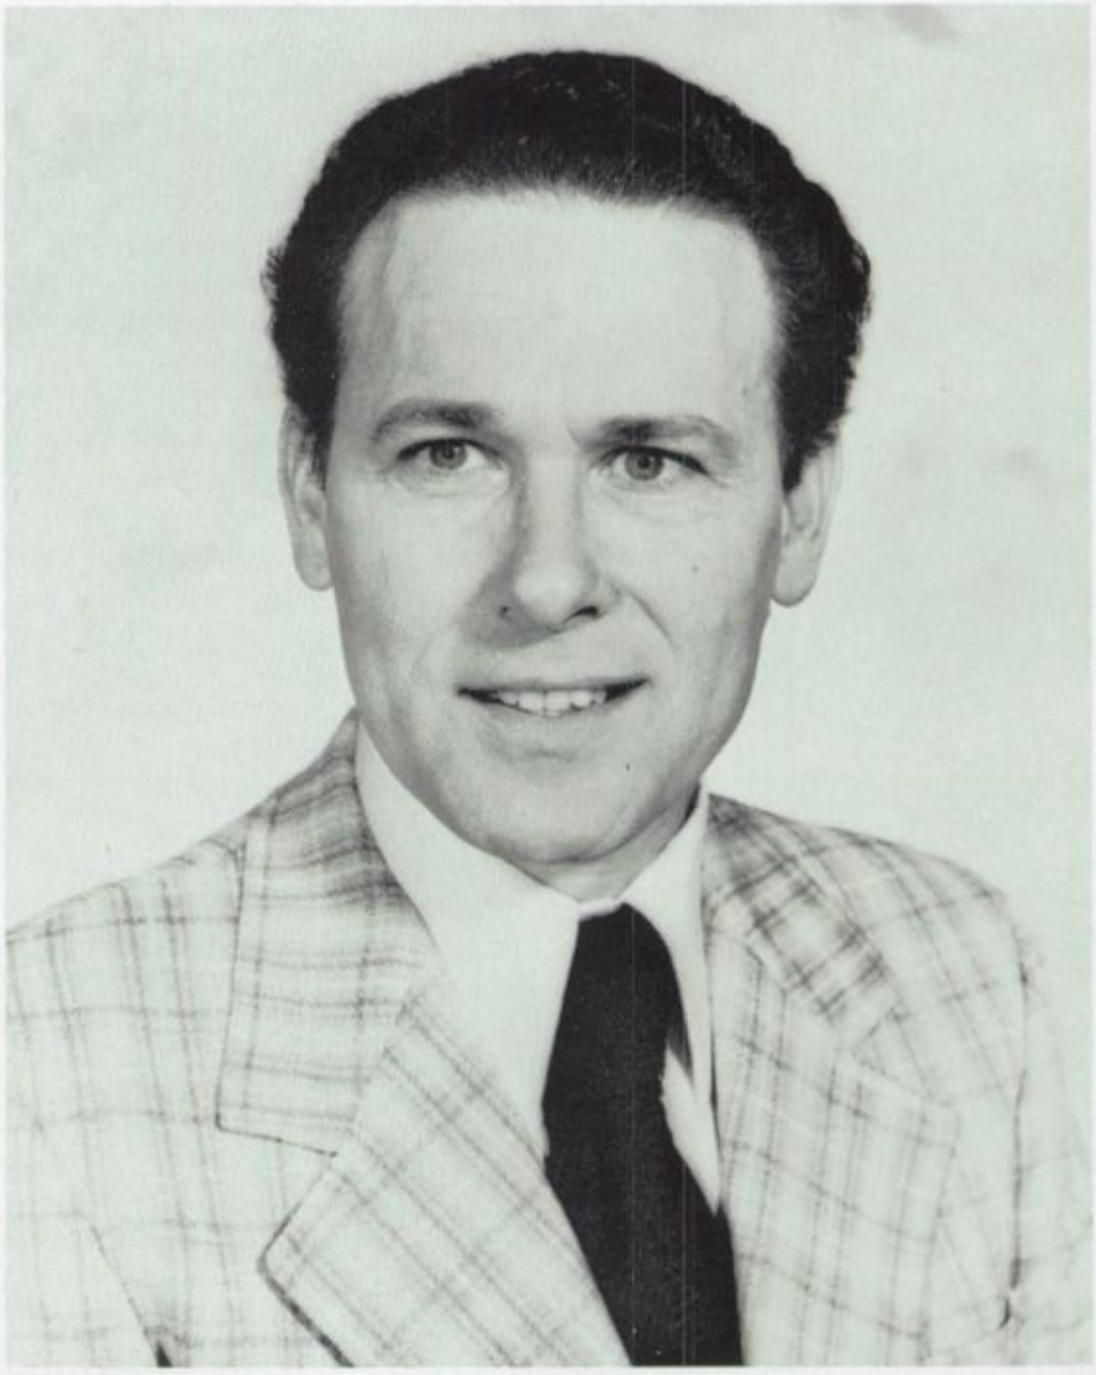
In The Beginning . . .

A Vision 3
Competition 6
People 14
Involvement 42
Supporters 52

Tekoa, the name of our yearbook, was suggested by Mrs. Donna Roberts, who is an avid supporter of all school activities. Being the mother of three T.C.S. students and a former bus driver, she has made many contributions to our school and especially to our yearbook in naming it.

Tekoa, which is Hebrew for 'sound of the trumpet', is an appropriate title for the yearbook, for IN ALL OF OUR BEGINNINGS at Timberlake Christian School we are continually "looking forward to when the trumpet shall sound for the final call unto Him." I Thessalonians 4:14-18

THERE WAS A VISION



We're familiar with the adage, "The eye is the window of the soul." One might further observe that the mind is the door to the heart. Everything we believe, feel emotionally and become in character are results of what flows through our minds. This being true, we should immediately recongize the importance of the quality and content of material transmitted to our young. Decisive in the development of the ability of young minds to assimilate and apply truth are impressions which come from the people by whom they are taught.

When Timberlake Christian School was a germ in my mind, some years ago, three things kept pressing into my thoughts. We must, I felt, create a school where children would receive a full-orbed education. One which would see spiritual and moral values as an integral part of academic development. It followed that we had to find the right kind of people to teach and administrate a school of this kind. Individuals whose lives would be object lessons of the truths and values being taught—highly skilled, deeply dedicated and thoroughly committed Christians. Finally, the facilities in which we were to operate had to compliment our spiritual and academic objectives. From that pioneer perspective the task ahead seemed to be a formidible one indeed.

Now, as we look back on twelve years of progress, the value and impact of Timberlake Christian School can be more fully appreciated than ever before. We have the right kind of program; the right kind of people; the right kind of facilities. And as one might fully expect, we are producing the right kind of students.

We most certainly have not yet arrived at the final milestone in our life as a Christian institution. It will be another two years before our first graduation ceremony. More buildings will be constructed, and more of the "right kind of people" placed on the faculty and staff. What we can say emphatically is that we are well on the way, and the future is aglow with prospects for parents, teachers, and supporters of the school to move together in this new day for education in America.

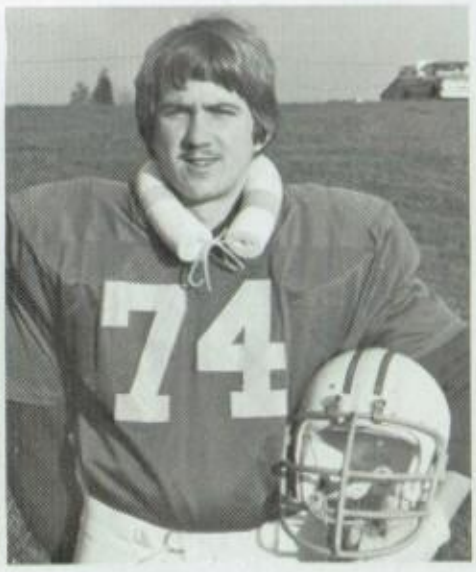
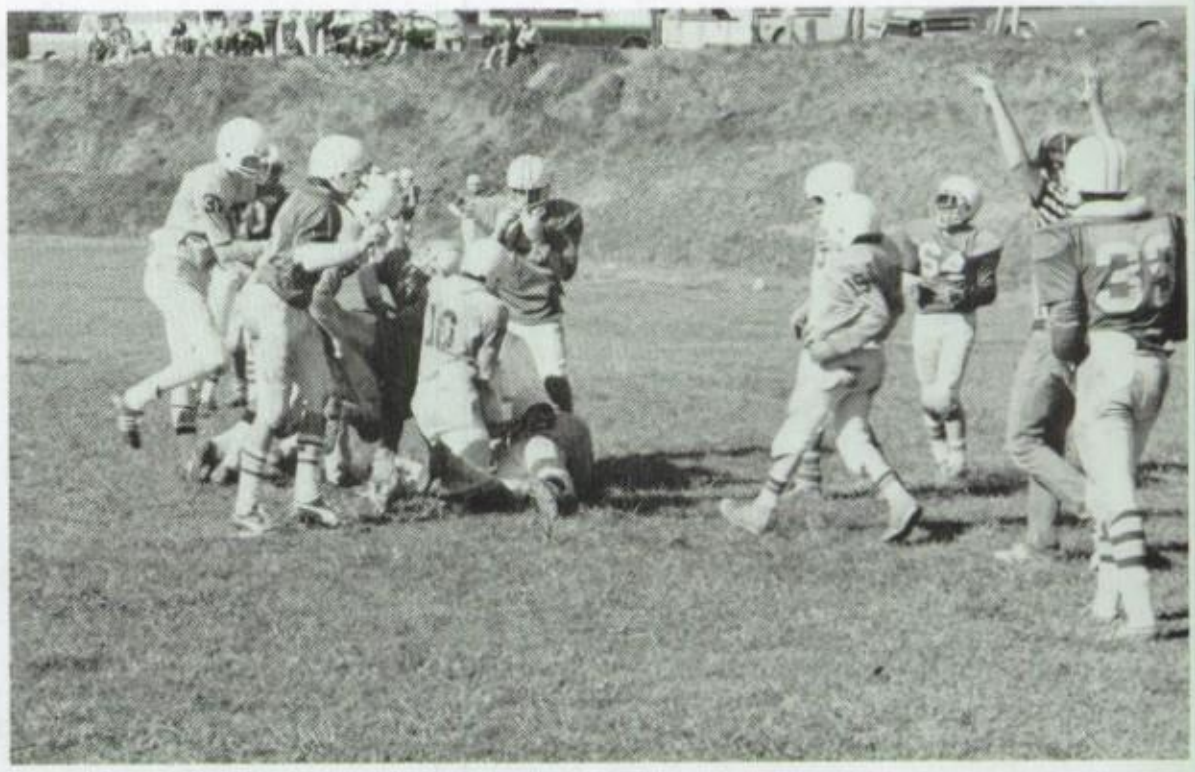
Mark Singleton: MVP Offensive Lineman



Phil Vassar: YAFL All Stars, MVP Offensive Back

Phil Vassar heads for the goal line.



Tornadoes triumph again!

VARSITY FOOTBALL

Tim Hodges high steps for a first down.

The Timberlake Tornadoes' Varsity Football team ended their first season of tackle football with a 4-4 record. The Lord gave us the opportunity to play this year in the Youth Aflame Football League (YAFL), sponsored by Thomas Road Baptist Church.

The varsity team of 9th and 10th grade boys played well against other teams made up of 9th through 12th graders. The last two games of the season our boys really put it all together. The offense had tremendous execution and the line did the best job they had done all season. Our defense regained the aggressiveness they had at the beginning of the season.

Starting with no experience, the team came a long way. Two of our most valuable players (MVP), Tim Hodges and Phil Vassar, made the league All Star Team and all of our boys played an exciting season, despite several injuries.

Everyone is looking forward to next year's season with anticipation.

FRONT: Jeffrey Stanley, Jeff Proehl, Gary Woodward, Stuart Roberts, Randy Wiley, Barry Kane. MIDDLE: Bruce Parent, Myron Fariss, Steve Clark, Buster Bryant, Danny Watson. BACK: Coach Dave Williams, Daniel Pack, Phil Vassar, Tim Hodges, Mark Dawson—Manager.

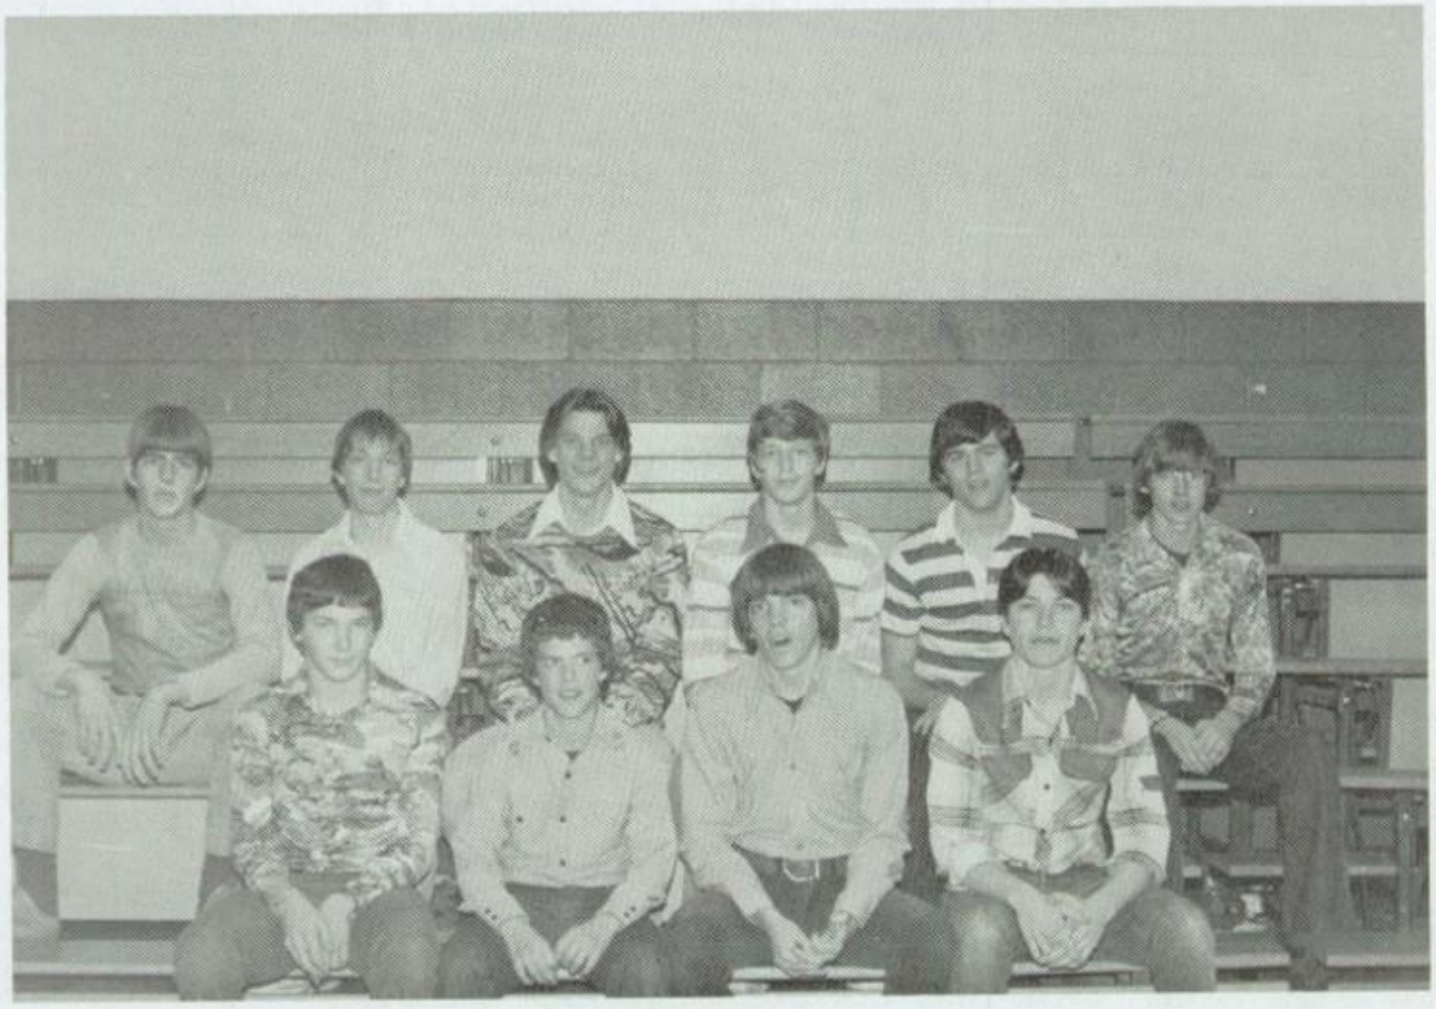
With a look of determination on his face, JV John Lewis follows the ball down the court.

The basketball is the focus of everyone's attention as both players try to gain possession for their team.

J. V. BASKETBALL. FRONT ROW: Michael Patrick, John Beasley, Phillip Stephens, Ricky Farris, Bob Moak, John Lewis, Stephen Wallace. BACK ROW: Ricky McWayne, Richard Carter, Ahmed Hassan, Carl Davis, Keyto Copper, Gary Tomlinson.

Varsity Basketball players are recognized at a pep rally early in the season.

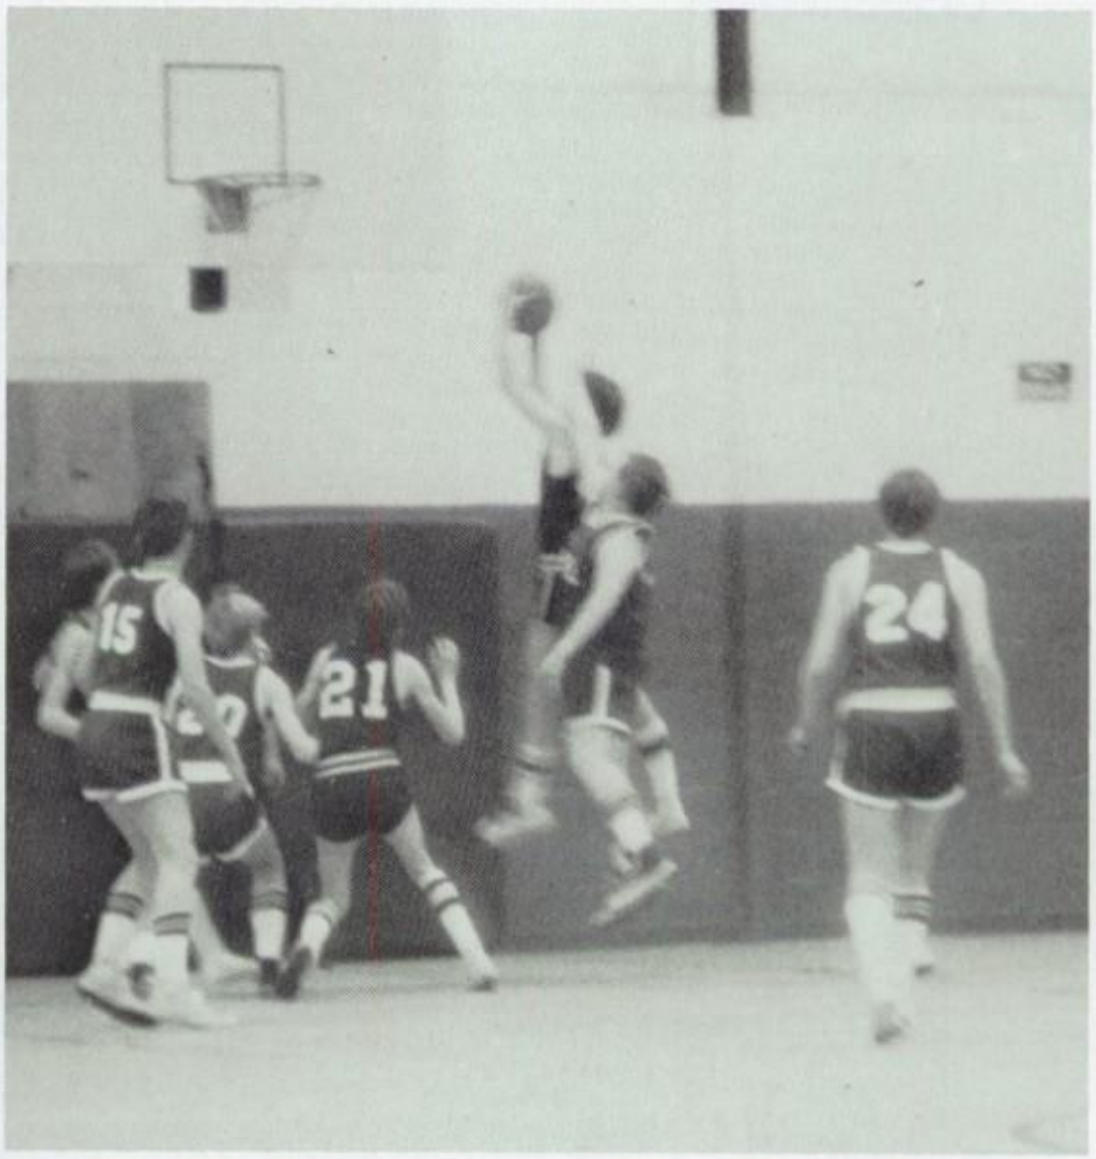
VARSITY TOPPLES TOURNAMENT



VARSITY BASKETBALL. FRONT ROW: Barry Kane, Lowell Hodges, Steve Clark, Randy Wyley. BACK ROW: Jeffrey Stanley, Edwin Kirtpatrick, Phil Vassar, Danny Pack, Tim Hodges, Jeff Prohle.

Coach Burkett hopes for another Varsity victory as he watches the team in action.

All eyes were on Phil Vassar as he puts two more points on the scoreboard.



In first quarter action, the Tornadoes obtain a strong lead which led to an overwhelming victory over L.C.A.

And we shall remember . . . . . .

Tackle football, our first Fall Harvest Banquet, many snow days, our first yearbook, ordering class rings, drivers' education, typing class, Biology class before lunch, that special someone, practicing for special programs, Macke lunches, messy lockers, a teacher who really cared and all the other experiences which shall influence our lives for "all things work together for good to them that love God, to them who are the called according to HIS purpose." Romans 8:28.
